Punjab, Pakistan

About Me

Hi I'm Memoona, a dedicated Computer Scientist & tech enthusiast with strong passion for web and app development.

I mastered Front-end Development with 1 year of experience in building websites and web applications using HTML, CSS, and JavaScript. And Fullstack Development using different technologies such as React, Next.js, TypeScript, JavaScript, Tailwind CSS, HTML.

I increased my skills by learning Object Oriented Programming (OOP) languages such as C/C++ and Python.

I'm Currently pursuing Bachelor's degree in Computer Science.

I also learnt Assembly Language, Discrete Structures, Digital Logic Design, Calculus & Analytical Geometry, Linear Algebra, Applied Physics throughout my course.
